

# Town of COALDALE

*A Wise Choice*

## Coaldale Outdoor Pool Family Swim Rules

Family swim times are reserved for those families who wish to have undisturbed time in the water with their children.

The following rules apply:

- Children must be directly supervised by a parent or guardian 18 years of age or older.
- Supervision must be done in the water, not just the ledge.
- Patrons may use passes or pay regular admission.
