

Did You Know?

Your tax notice includes amounts for more than just municipal taxes. It also includes amounts (requisitions) collected on behalf of other organizations.

These other organizations include:

- The Alberta School Foundation
- The Green Acres Foundation

The Alberta School Foundation requisition is set by the Government of Alberta to pay for local schools.

The Green Acres Foundation requisition is set by the Green Acres Foundation to provide affordable seniors' housing.

As per Section 359 of the Municipal Government Act, the Town of Coaldale is required to collect these requisitions as part of its annual municipal tax collection process.

What This Means for Your Property Tax Bill

Although Coaldale Town Council approved a 0% net increase to the municipal portion of residential property taxes in 2026, your total property tax bill may still be higher than last year's.

This increase is due in large part to a 20% net increase in the Alberta School Foundation requisition and a 14.17% net increase in the Green Acres Foundation requisition.
