Help us stay in touch

Update land titles info

At times the Town of Coaldale will send mailouts to local residents. Mailing addresses for these are pulled from Alberta Land Titles.

To ensure you do not miss out on important letters including potential developments in your neighbourhood make sure your address is up to date.

Any address changes involving your property ownership should be registered with Alberta Land Titles. For more information on how to make address changes visit our website at www.coaldale.ca and click the Planning & Development tab under the Services tab on the front page.

Please note, occasionally the Town also does a complete mailout to all of the postal addresses in the community. If you have a no-flyers notice on your mailbox you will not receive these mailouts. Visit our website for notices or follow us on Facebook and Twitter.
