# October 18, 2023

COALDALE TOWN HALL

Detachment Boundary's

Annual Performance Plan

The APP is used at the detachment level to assist in planning and to bring policing activities in line with local concerns. It provides a mechanism by which we can report on progress, or obstacles encountered to the Mayors, Councils, and communities we serve.

The APP is the "ROAD MAP" for the detachment activities throughout the year running from April 1 to March 31.

The APP has a quarterly reporting feature that is completed and reviewed by the Detachment and Southern Alberta District Management Teams.

The APP also has an internal Unit Level Quality Assurance (ULQA) component that allows Senior Managers to assess internal operations and improve service delivery.

Annual Performance Plan

- Each year in preparation to develop and build a new APP, the Detachment Management Team (DMT) conducts external/internal inquiries and information sessions.

- Input from these sessions will help us determine what the policing priorities should be for the upcoming year.

- Tonight we are hosting this Community Consultation Session in Coaldale with support from your Mayor & Counsel and Town staff.

- We hope to get feedback from all in attendance to understand what Policing Priorities are important to this community.

Annual Performance Plan

► **2023/2024 Annual Performance Plan Initiatives for Coaldale-Picture Butte RCMP**

► 1. Crime Prevention - Police visibility, Target Repeat Offenders, Intelligence led policing, educate community. Eg: Crime Prevention Programs, meeting with local agencies, share intelligence.

► 2. Police Visibility/Community Relations - Build and Maintain positive relations with all our communities. Eg: Proactive patrols, presentations and activities.

► 3. Enhance Road Safety – Through Education & Enforcement. Eg: Joint projects with CPO's, Sheriffs.

▶ Rural Crime Watch

▶ CPTED (Crime Prevention Through Environmental Design)

▶ Town Halls (Initiatives)

▶ SCAN (Safer Communities and Neighbourhoods)

Crime Prevention

► Here are some tips for keeping your personal property safe:

  ► Turn on outside lights at night

  ► Install a timer for lights

  ► Don't leave keys in vehicles

  ► Park recreational vehicles in locked garages or sheds

    ► If you can't park indoors, park recreational vehicles in sight and chained to something

  ► Install surveillance cameras

  ► Engrave items with your name or a serial number

  ► Keep a detailed list of property including photos and serial numbers

  ► Follow a nightly checklist to ensure everything is locked up
