The Town of Coaldale uses Automated Traffic Enforcement (ATE) to monitor playground zones, high pedestrian intersections, intersections where conventional enforcement is unsafe, or there is a history of collisions and speeding, construction zones, and areas where the public has expressed concerns. These areas may vary and are routinely monitored.

During the summer months, CDES will focus on playground zones and traffic on Highway 845 and Highway 3.

During the school months, CDES will focus on all playground zones.
