

NEW STREET FURNITURE BRINGS VISUAL APPEAL

The Main Street project has reached an exciting milestone as our new street furniture is starting to be installed. These additions will enhance Main Street's unique character and give residents new ways to experience the heart of our community. Come down to Main Street to check out the street furniture that was selected based on community feedback from earlier this year.

Main Street bike rack!

Waste receptacles!

New benches!

WHAT'S NEXT? - CONSTRUCTION TIMELINE UPDATES

- The section of 20th Ave from 18th to 19th Street and the intersection on 18th Street and 20th Ave are expected to reopen the week of September 21.
 - Once the intersection opens, there will be a turn-around at the west end of the block of 18th Street and 20th Ave.
- The installation of underground water and sanitary infrastructure for the block between 19th Street and Highway 845 has been completed with the remaining underground storm system to be installed later this week
 - Paving the block between 19th Street and Highway 845 should begin the week of September 28. No further highway closures are expected.
- Paving from 19th Street to Highway 845 is expected to be completed by the week of October 5.
- Rotating lane closures at the intersection of 19th Street and 20th Ave will be ongoing until the week of October 21 to allow for the concrete at the crosswalks to set.

MAIN STREET BLOCK PARTY

The long-awaited Main Street Revitalization project is nearly complete, and to celebrate the Town is collaborating with the Chamber of Commerce and Main Street stakeholders to help “reopen” Main Street with a Block Party on 20th Ave!

The Block Party is intended to be a business-organized, community-focused event that will attract residents to the downtown core and boost our sense of community and connectedness.

During the week of September 21, representatives from the Town and the Chamber of Commerce will be visiting each business along Main Street to discuss preparations for the Block Party in October. The focus of the event will be to celebrate the completion of the major components of the project and formally re-open the area.

More details will be available soon!

20TH AVE MAINTENANCE AND OPERATIONS

Winter is just around the corner, and many questions have been brought up about snow clearing on 20th Ave.

As part of the Town's commitment to maintaining proactive communication with businesses, information regarding snow clearing strategies and other seasonal operational aspects of the area will be communicated to the stakeholders well in advance of the snow season.

Sign up for the Downtown Revitalization mailing list on our website or by emailing communications@coaldale.ca to be the first to know about any Main Street updates!

EJD MACHACEK
