## Deadline Oct. 11 for RV trailers

Summer is over . . . Yes, unfortunately summer is coming to a close. The cool winds and turning leaves are here to stay. This also means camping season is coming to an end and RV trailers will be going into storage. By the October long weekend, Oct. 11, as per the town's, "Traffic Control and Dangerous Goods" bylaw, all RV trailers need to be removed from the public roadways or be attached to a motor vehicle. As a town we understand this time of year can be busy and we are here to work with everyone.

We want to thank you for your understanding and cooperation.
